

WINTER 2021

Morrington News

Happy Holidays!

"I will continue to fight for my clients. Approach change with a smile, accept all challenges, and sustain the growth of Morrington Law through exceptional professionalism, hard work, and vigor."

More than 30 years ago, I decided to become an attorney due to the many injustices I witnessed personally and as a bystander. Today, those injustices remain as relevant as they did back then. I am **committed** to ensuring that my legal team and I are equipped to fight against those injustices in the field of workers' compensation and disability benefits.

As we approach 2022, the **passion** for the injured community is real here at Morrington Law. We will not be intimidated, we will not back down, and we are rolling up our sleeves for major wins.

We have accomplished major legal wins in the field of law during 2021. As Herman Melville once said, "We cannot live only for ourselves. A thousand fibers **connect us** with our fellow men; and along those fibers, as sympathetic threads, our actions run as causes, and they come back to us as effects."

Remember, a win for one, is a win for all.

Bonnie G.

Bonnie has been represented by Attorney Morring for many years. Just recently, Bonnie had another failed attempt by the Employer to terminate her workers' compensation benefits. Attorney Morring and her team worked tirelessly and AGAIN shut down the Big employer. Bonnie showed her appreciation by sending this wonderful flower arrangement.

Another One of Attorney Moring's Favorite Recipes:

Cranberry, Apple and Sausage Stuffing

- 1 2/2 cups cubed whole wheat bread
- 3 3/4 cups cube white bread
- 1 pound sausage
- 1 cup chopped onion
- 3/4 cup chopped celery
- 2 1/2 teaspoons dried sage
- 1 1/2 teaspoons dried rosemary
- 1/2 teaspoon dried thyme
- 1 golden delicious apple, cored and chopped
- 3/4 cup dried cranberries
- 1/3 cup minced fresh parsley
- 1 cooked turkey liver finely chopped
- 3/4 cup turkey stock
- 4 tablespoon unsalted butter, melted

DIRECTIONS

Preheat oven to 350°F (175°C). Spread the white and whole wheat bread cubes in a single layer on a large baking sheet. Bake for 5 to 7 minutes in the preheated oven or until evenly toasted. Transfer the bread cubes to a large bowl.

SKIP THIS STEP Cheat Sheet: Don't want to bake bread cubes? Do this! Purchase the bread cubes, one of Attorney Moring's favorite brands is Pepperidge Farm Bread Crumbs

In a large skillet cook the sausage and onions over medium heat, stirring and breaking up the lumps until evenly browned. Add the celery, sage, rosemary and thyme, cook, stirring for 2 minutes to blend flavors.

Pour sausage mixture over bread in a bowl. Mix in apples, dried cranberries, parsley, and liver. Drizzle with turkey stock and melted butter, and mix lightly. Spoon into turkey to loosely fill and/or place in a pan and cook until your desired texture.

PERSONAL INJURY CONNECTION

After a car accident, it's you vs. the insurance company.

The key to receiving the money you deserve for your injuries is knowing the dirty tricks car insurance companies use. Here's 1 of them:

DIRTY TRICK #1:

The insurance company will offer to pay only copays instead of the full amount of your medical bills.

In Virginia, you are entitled to payment for **all reasonable medical bills incurred**. This means you are entitled to payment for the actual charge made by the hospital or healthcare provider, not just your copays. In one case, our client had a \$22,506 emergency room bill, but the insurance company offered to pay him only \$3,702! An experienced personal injury lawyer will insist upon full payment of the bill, and most insurance companies don't even attempt this dirty trick on lawyers.

THE 5 DIRTY TRICKS Used by Car Insurance Companies (Using real private emails)

We've heard all the reasons why people sometimes choose **not to hire** an injury lawyer:

- "I didn't want to **make it a big deal**."
- "I thought I could **handle it on my own**."
- "I wanted to **avoid paying an attorney's fee** from the case."
- "It's not about the money," and "I'm **not that type of person**."

However you decide to handle your injury claim, or whatever your motives, it boils down to **BEING TREATED FAIRLY**. After reading the following information, **you'll have serious doubts about whether you'll be treated (or paid) fairly by an insurance company without the help of an experienced personal injury attorney.**

The 5 Dirty Tricks Used by Car Insurance Companies

Guide to getting the most out of *your* case.

As a current or former client of **Morring Law**, you may know the many challenges of being involved in a workers' compensation or social security disability case. As we strive to achieve the best results for our clients, here are a few tips:

TIPS

ONE CALL PLEASE AND BE SPECIFIC

Recently, our automated telephone system has changed. Please listen to the prompts. Morring Law is a professional business equipped to handle your legal needs. However, if you leave a message that does not identify your concern, it takes longer to provide you with advice or address your concern.

PATIENCE

Be patient. All good things come to those who wait. That same principle applies when dealing with an agency such as the Department of Labor, Virginia Workers' Compensation Commission or Social Security Administration. Please exercise patience as we have no control over the court or the administrative procedures.

PROFESSIONALISM

Professionalism is a two-way street. As we grow into a more section based law firm, it is important that you recognize and adapt to these changes. Please do not yell, curse, or utilize unprofessionalism with our staff or anyone involving your case. We are here to service you and your legal needs. Remember: We are here to help and understand the process can be frustrating.

TRUST THE PROCESS

Attorney Morring has been performing at this level for **more than 20 years** and is experienced in this industry. The clients that get the best results are those who understand this and trust the process.

DO NOT CONTACT YOUR ADJUSTER OR COMPANY

When you do this you waive your attorney/client privilege and those conversation could be used against you. Utilize patience and **Call Us First**. **NEVER** contact the OTHERSIDE.

DO NOT CALL ATTORNEY MORRING ON HER PERSONAL CELL PHONE

Attorney Morring **loves** her clients! If she could talk to everyone, she would, but she is a busy professional just like your doctor or dentist. When you fail to honor the professional system, you put your case at risk because there is no system in place to ensure that your issue is addressed in the proper manner.

SHHH...THE INSURANCE COMPANY MAY BE LISTENING

The insurance companies and employers have agents in doctor's office and people that may surveillance you. Avoid providing details of your case with others. Specifically, with others in the injured community. This information often times gets back to the employer and can hinder your results. Exercise the strictest discretion, as this is your injury and YOUR case.
